

Destinations Requiring *No Special Health Precautions*

Health recommendations for travel to some destinations are similar to vaccination and health recommendations for the U.S. Therefore, Travel Clinic appointments are not needed for the following destinations:

- Canada
- Australia
- New Zealand
- Japan (unless rural/adventure travel is planned)
- Iceland
- Caribbean Islands (except Great Exuma Bahama, Haiti and the Dominican Republic)
- Countries in Western Europe, including:
 - Austria
 - Belgium
 - British Isles (England, Ireland, Scotland, Wales)
 - Denmark
 - France
 - Finland
 - Holland/Netherlands
 - Germany
 - Liechtenstein
 - Luxemburg
 - Monaco
 - Norway
 - Sweden
 - Switzerland
